It is important that subscribers carry third party insurance as accidents can and do happen.

By signing this form you confirm you have, and will maintain, third party liability insurance.

By signing this form you agree to the terms of the Hunt's constitution, which provides that neither the Hunt, nor any of the Masters or officials/employees of the Hunt, or other persons engaged in the activities of the Hunt, shall have any liability to you in relation to anything arising from the activities of the Hunt, whether or not arising from negligence (save as mandated by law), and you agree not to bring any claim against such persons or the Hunt (save as mandated by law).

If laws or regulations are passed to ban trail hunting during the course of the 2024-25 season we will offer to refund a *pro rata* proportion of your subscription, which will be set by the committee at their absolute discretion, we will however always retain a minimum of 25% to cover costs.

Meet cards will be sent by email unless this box is ticked
